EDUCATION

Dayananda Sagar College of Engineering, Bengaluru, Karnataka · **CGPA : 8.9**
Bachelor of Engineering in Computer Science and Business Systems · *2022 – 2026*

Sharnbasveshwar PU Residential College, Kalaburgi, Karnataka · **92%**
Higher Secondary Education · *2020 – 2022*

Appa Public School, Kalaburgi, Karnataka · **84%**
Secondary Education · *2018 – 2020*

PROJECTS

Personal Portfolio Website | *HTML, CSS, JavaScript* | [Github]
- Developed a fully responsive and interactive personal portfolio website using **HTML, CSS**, and **JavaScript** to showcase resume, projects, and contact details.
- Deployed the website on **GitHub Pages** with CI/CD pipelines for seamless updates.
- Showcased portfolio projects with detailed descriptions, images, and external links using a **card-based** layout.
- Designed a contact form with form validation using **JavaScript**, ensuring accurate and complete user submissions.

End to End Cricket Data Analytics | *Python, Pandas, Power BI, Web Scrapping* | [Github]
- Developed a comprehensive **data analytics** pipeline for cricket statistics, including data extraction, transformation, and visualization.
- Automated the process of web scraping live and historical cricket match data using **Python** and libraries like **BeautifulSoup** and **Selenium**.
- Processed and cleaned large datasets using **Pandas**, handling missing data, duplicates, and inconsistent formatting for analysis-ready datasets.
- Created interactive and visually engaging dashboards in **Power BI**, featuring Player and team performance insights

ACHIEVEMENTS & CERTIFICATIONS

- Secured a **top 5 position** out of 35 teams in *Hack-o-Rama 2024*. Designed a scalable solution using *[HTML, CSS, and JavaScript]* to manage daily life expenses.
- Clinched **top 10 position** in a national competition organized by **IIT Bombay** named **TECHFEST** in the year 2019 , deployed responsive website with front-end tech stack.
- As a **Media Team member**, contributed to the successful organization of engaging events like the Technical Treasure Hunt during the CSBS annual fest, Phoenix. Captured memorable moments through photography and videography, creating dynamic content that showcased teamwork and problem-solving in action.
- Completed a certification in **Data Structures and Algorithms (DSA)** and problem solving.

EXTRACURRICULAR EXPERIENCE

Udbhava (Student's Club) | *Media Sub-Head* · Nov 2024 – Present
- Inaugurated the club, attracting **150+ students and faculty members** for the launch event, establishing strong initial engagement.
- Organized **workshop** for the club members, addressing various aspects related to photography and videography.
- **Increased engagement** with the help of PR team through impactful events and meaningful discussions.

TECHNICAL SKILLS

Languages: HTML/CSS, Javascript, Python, C/C++, SQL (MySQL)
Frameworks: Tailwind CSS, Bootstrap
Developer Tools: Git, GitHub, Docker, VS Code, Power BI
